BAPTIST HEALTH CARE FOUNDATION AWARDS LUTHER & KATHY TAYLOR SCHOLARSHIP

PENSACOLA, FL – Baptist Health Care Foundation annually presents the Luther and Kathy Taylor Nursing Scholarship to North West Florida-area students who are pursuing degrees to become a Registered Nurse. With over 50 quality applications submitted, 1 particular student stood out among others.

The 2010 recipient of this year's Luther and Kathy Taylor Nursing Scholarship is Cristiane Barros. She is currently an employee at Gulf Breeze Hospital and a Junior at the University of West Florida where she will earn her Bachelor's Degree in Nursing. With a career goal of becoming a nurse practitioner and an outstanding GPA, Cristiane has earned her place on the Dean's Honor List of outstanding students and most recently received recognition on the President's Honor Roll List.

"We are so happy to have selected such a bright student. She exemplifies what every hospital looks for in a quality nurse to provide good quality health care to those in our community," said Daphne Scordato, VP of Patient Care Services.

"We are thankful to have this opportunity to give back to our community," said Luther Taylor, who along with wife Kathy established the scholarships to off-set local nursing shortages by encouraging individuals to enter this high-demand clinical field.
