BAPTIST HEALTH CARE FOUNDATION AWARDS 15 HELPING HANDS SCHOLARSHIPS

PENSACOLA, FL – Baptist Health Care Foundation and the Helping Hands Employee Assistance Program are delighted to announce that 15 scholarships were awarded to Baptist Health Care employees, their dependants, and area residents.

The 2010 recipients of the Helping Hands Scholarships are: Cristiane Barros, Tiffany Chen, Nicolette Farrow, Robert Fillingim, Stephanie Hacker, Shabnam Irwin, Kori Kennedy, Christina Manciangli, Cathleen Menda, Kendra Molchanoff, Rose Safford, Heather Sova, Rebecca Thomas, Mary Walker and Dana Wimmer.

These outstanding recipients are currently enrolled at the University of West Florida, Pensacola Junior College, Pensacola Christian College, Troy University (Florida Region), and the University of South Alabama.

“At Baptist Health Care our people are truly our best asset and we are pleased to have so many great scholars among our employees as well as in our community,” said David Sjoberg, Helping Hands Chair and VP of BHC Planning.

These \$1,000 scholarships are made possible each year through the generosity of employees who contribute to the Baptist Health Care employees’ assistance program, Helping Hands. Employees voluntarily make contributions to this program through pay roll deductions each month to help provide financial assistance to employees in need, food baskets during the holidays and scholarships such as these.
